#### **Advisory Committee on Private International Law; Meeting of Study Group on Electronic Commerce**

The Study Group on Electronic Commerce will hold its next meeting from 1:00-5:00 p.m. on Tuesday, May 21 in Washington, DC at the International Law Institute. The meeting will review proposed general rules on use of computer and related electronic messaging in international commercial transactions, which are expected to be finalized at the upcoming Plenary session of the United Nations Commission on International Trade Law (UNCITRAL) in June, and to discuss U.S. positions as to future work on electronic commerce which will also be considered at that session.

The meeting of the Advisory Committee Study group is open to the public, and members of the public who cannot attend are welcome to comment on the proposed rules for electronic commerce and the future work program. The proposed rules are currently in the form of a model national law. The principal background documents, which are available from the Office of the Legal Adviser at the address indicated below,

include (1) the report by UNCITRAL on its 28th plenary session held in May 1995, which considered and revised certain of the proposed rules, UN Doc. A/50/Supp. 17; (2) The report of the UNCITRAL Working Group on Electronic Data Interchange (EDI), which met during February-March, 1996, and which considered new draft rules on transport documents, primarily electronic maritime bills of lading, as well as proposals for future work, UN Doc. A/CN.9/421; and (3) a draft "guide to enactment" of the UNCITRAL model law, UN Doc. A/CN.9/426, April 1996, which will also be considered by the Commission at the June plenary session.

The proposed rules will apply to commercial activities, and will include *inter alia* legal recognition of data messages; electronic equivalents of "writing", "signature", and "original"; admissibility and evidential weight; obligation to retain; attribution; acknowledgement; time and place of dispatch and receipt; formation and validity of contracts; electronic maritime bills of lading, and other matters. The rules will not apply to consumer transactions.

The March 1996 Working Group recommended that future work include digital signatures, electronic registries and consideration of rules applicable to information service providers. U.S. positions on those recommendations will be considered at the May 21st Study Group meeting; recommendations for alternate future work topics can also be considered.

The International Law Institute (ILI) is located at 1615 New Hampshire Avenue, NW. Members of the public may attend up to the capacity of the meeting room and subject to direction of the Chair. Persons planning to attend should advise the Office of the Legal Adviser or the Institute in advance.
